OLD BUSINESS:

Fundraising Report:

Sarris was a huge success. Total sales totaled \$ 5,456.15. Profit from this sale was \$ 1,909.65. Our Swiss Steak dinner, held in November, was very popular. Our profit from this event was over \$700.00. Once again we would like to Thank Ruth Fednets and her family for all their hard work. Our students did a wonderful job. Starting later this month we will be holding a Sub sale. February will be our next Oakbrook and March our Easter Sarris sale.

Uniform Report:

Renee reported that we still have students that have not turned in their Marching band shorts. If these shorts are not turned in report cards will be withheld and possibility of charging parents to replace this item. The marching band uniforms are at the dry cleaners and will be delivered by mid-January. It was also suggested that students place their initials in their band shoes.

Disney Trip Report:

After much discussion regarding this trip no decision was made on whether to continue with the trip or cancel. At this particular time there are not enough students who have been able to commit to going. Mr. Cameron requires having a 90% commitment from students and parents. At this time we do not have this commitment. We have decided to give the students another opportunity to show their commitment and determination to go on this fantastic trip. We would also like to encourage all parents to provide input on this trip.

NEW BUSINESS:

Concession Stand: No report was available.

Theme for Combined Jazz band:

This concert was a huge success last year. The decision was made to have another Café style meal. The theme for this will be similar to last year. Any ideas for this concert would be greatly appreciated.

Jill Crowley, along with the music department, will be putting together a "Concert Closet." This closet will contain clothes for those students who need to have proper concert attire. Anyone who would like to donate their shirts, pants, skirts, and ties please contact Jill or any music booster officer. Thank you Jill.

As the new year begins we are looking forward to supporting our Music Department and the students whom are involved in this great program. We would like to encourage our music parents to become involved in continuing to the success of our Music Dept.

Have a wonderful year.

Next Meeting: February 1, 2011

Reminder our meetings are held the first Tuesday of the month in the music room at 7 pm.
